TERRIBLE OCCURRENCE 'Calcutta Englishman) A frightful affair took place at Alipore on August 19th A young man who went by the SHANGHAL (Via SWATOW AND AMOY, appears to bave been O'Dwyer-a member of THE P. & O.S. N. Co. seteamship. Mr. Lewis's theatineal company, met his death under very extraordinary aroumstances. From the statement made by the reporters the man will leave for the above places on SUNDAY had been in a state of chronic intemperance for the 5th December, at daylight. pearly three weeks previous, and while on the eve of proceeding to the Theatre, he became so. P. & O. S. N. Co.'s Office. rident and unapproachable that the people with whom he resided had to tie him down to in bed till medical assistuper was procured. Before the arrival of the desired aid Sherhourne THE Steamship negged his landlord (a Mr. Hartigan) to release a sabre at hand and made a rush upon Hartigan. the 5th December, at daylight A struggle ensued, in the course of which Sherbourne received two frightful wounds-one clean through the beart, and the other within it inch of the first stroke. Death must have been instantaneous. What renders the matter all the more extraordinary is that Hartigan does not remember a single thing that happened after the struggle began. Whether the wounds were inflicted unconsciously by Hartigan, o whether SherLouine fell upon the sabre-and he nitted have fallen twice, for there were two distinct wounds-it is impossible to say. Har itean is, we believe, an old soldier, and is bedes a Victoria Urosa man. MICELLANEOUS. A premium of 80 guineas per cent, was paid on the 8th October, on the ship Red Jacket, will leave for the above place shortly after arrive which sailed from Cardiff on the 11th Septem. of next English Mail. her last for Bombay. The milk will become sour, of course. but mey afterward serve as food for pigu, and the meat will be found to have kept its natural freshuces, even after eight or ten A REGAL SPECULATOR .- The Berlin, Borsen Zeitung, referring to the crisis in the Vienna speculation in Vigura heavy losses have been suffered by members of the highest aristocratio James Aitken, Muster, will be disputched a nected with the Veining Bank. It has been For Freight or Passage, apply to stated that the sum lost by the ex-King of Hanover was no less than four millions of floring. which is evidently an exaggeration, but it is confidently asserted, at least, that Dr. Elster, IIHE Steamer Commissioner of Finance at the Court of Heitzing, who conducted the speculations of King George, has withdrawn from the Admiss will be dispatched for the above port about the trative Board of the Vianna Bank, and further. 4th proximo. that both he and Count Wedell, formerly Marshal of the Household, have been dismissed from the service of the ex King." The Times says that letters from Alexandria of the 28th of September seem to indicate a diminution of confidence in the opening of the THE British Steamer Suez Canal for impredints traffic. The image.

tion on the 17th of November is fully looked for, and it is also expected that ships will then pass through from sea to sea, but there are persons who boldly assert that eighteen months will be required before the works will be in a condition for the regular operations of commerce. A Liverpool firm are alleged to have edit an agont expressly to survey and raport, and according to his account the depth of water throughout the canal is very unequal. "An Egyptian corvette recently went up a abort distance and strick fast, but in anticipation of Holm, Master, will have quick disputch for the anch a mishap she had been sent atern foremust, and so came back without difficulty." SINGULAR MOLECULAR CHANGE.—While making some experiments on beating strained

min wire to reduces, by means of electricity, Mr. Gore observed that after disconnecting the FIHE Spanish Brig battery, and during the process of cooling, the wire suddonly clongated, and then gradually shortened until quite cold. A mumber of ex- Barcelo, Muster, will have quick dispatch for periments, were made with wires of different | the above port. metals and alloys, but in no case was similar change detected. The amount of clongation in the iron wire was found to be about 1-240th part of its length. During the process of heating the wire, no increased clongation was observed at any particular temperature; there-fore the diminution of cobesion scene to depend not only on temperature and strain, but on the condition of cooling. It would be interesting to the engineer to know whether many repetitions of this process impaired the quality of p.m. on the 29th Sept. in the neighbourhood of Halle; it was also visible at Magdeburg, though I THE North German Brig

only very faintly and for a few moments. The Hallische Zeitung remerks that it may be well to note all such appearance this year, as it is possible that a comparison of such observations low rates for the above port. with those made by the Polar Expedition may throw some light on many things that are obscure in this phenomenon. The northernlights of yesterday, though dim and of short continuance, were distinctly visible, as the sky was clear and the horizon free from clouds and mists. Both parts of the phenomenon, the dark segment and the rays of light appeared Goetar, Master, will have quick dispatch for nuddenly, and at the same time. The the above port. sogment culminated due north, at about 10 deg. latitude. The rays of light, which were of a reddish hue and eight in number, broken by distinctly visible, smoke-like strenks, scarcely reached the lower stars, Phachd and Mack, in the constellation of the Bear. They lasted only six minutes A faint milk white light then spread over the whole of the northern sky, which lasted for a quarter of an hour. The black segment remained unchanged till at last, by degrees, the

stars again appeared over the whole north." COMMERCIAL INTELLIGENCE. HONORONG, THURSDAY EVENING. There has been no change in the drug market.
